REPORT OF THE EXECUTIVE COMMITTEE FOR THE YEAR 1946.

The Executive Committee wish to express most sincerely grateful thanks to all who have in any way assisted the Hospital during 1946. They are confident that they can rely on the same high standard of performance until their responsibility terminates in April 1948.

The year under report has been an extremely busy one, but the strain has been loyally met by all concerned. The attendance of In-Patients, Private Patients and X-Ray cases exceeded all previous records, although a serious lack of domestic staff and an impending shortage of nursing staff cause increasing anxiety. Details of work done will be found in the Statistical Analysis on page 14.

On the retirement of Mr. P. Maynard Heath the Committee recorded their high appreciation of his invaluable work for the Hospital which owes so much of its fine record in surgical cases to his care and skill and he has now been appointed as Honorary Consulting Surgeon to the Hospital. We are fortunate to have secured the services of Mr. A. S. Dill Russell as his successor. On the regretted death of Mr. G. H. Steele, Mr. P. H. Jobson has been appointed Ear, Nose and Throat Surgeon.

There have been inevitable changes in the Executive Committee. Brigadier Charrington was unable, owing to pressure of business, to continue as its Chairman and has been succeeded by Squadron Leader C. G. Mathew. The departure from Fleet of Mrs. Sylvester, who devoted so much tactful energy to the needs of the Hospital, is also widely regretted.

Mrs. Sparks, who has now closed the Ladies Linen Guild, will be gratefully remembered as a most successful organiser who provided a handsome sum of money each year for the purchase of linen.

The Committee recorded their sympathy with the relatives of Dr. E. L. Martin, who was a valued member of our Medical Staff, and of Colonel Anderson who served for many years as Hon. Secretary.

As regards the Extension Fund, it is now impossible to carry out the projected Scheme at the present time but there is every reason to hope that the Rudkin and Cox Memorial Funds will in due course be employed for their approved objects. A memorandum has recently been issued explaining that under the new National Health Act as finally amended, gifts can still be made for specific purposes for the benefit of an individual Hospital. It may be mentioned that during 1946 four legacies—£100 each from Miss Underwood, Mr. T. E. Williams and Mrs. Wellstead and £50 from Mrs. Harris St. John—were especially welcome and enabled the Hospital to withdraw only a limited amount from the accumulated Reserve of previous years.

There have again been very heavy increases in expenditure especially for Salaries and Wages and Drugs and Dressings. Considerable repairs and improvements have also been necessary including a new water softening apparatus and a portable X-Ray set. The benefit of these is already felt but payment will be completed early in 1947. By the kind efforts of friends, at the instance of Dr. Browne, a Suction Pump has been purchased and is a valuable addition to our Theatre equipment.

The financial burden is now so cumulatively heavy that the Hospital must depend upon the continued generosity of all who wish to see its standard maintained: but the Committee are indeed grateful for the encouragement and support still given throughout a year of trial and difficulty.
